NOTICE

The Washington County Solid Waste Service District (the District) is requesting renewal of its permit to operate the Class I Landfill located at 325 North Landfill Road (off Telegraph Road), Washington, Washington County. The landfill accepts non-hazardous solid waste from within the District's boundaries, Washington County. It also may accept non-hazardous solid waste outside its District boundaries (including out-of-state). By accepting out-of-District waste the District must abide by the conditions that monies or funds, received for disposal of waste received from outside the District's boundaries, are not to provide or support other government services other than the District. The landfill also accepts commercial waste, industrial waste, construction/demolition waste, waste tires, and other special wastes. It also may accept household hazardous wastes from conditionally exempt small quantity generators.

The permit application has been reviewed by the Utah Division of Solid and Hazardous Waste and a draft permit has been prepared. Section R315-311-3 of the Utah Administrative Code (UAC) provides for a public comment period to receive comments on the renewal application and draft permit prior to final action by the Executive Secretary of the Utah Solid and Hazardous Waste Control Board.

The public comment period for the application and draft permit will commence on April 4, 2007 and end on May 4, 2007. A public hearing may be held if it is requested within 15 days of the publication of this notice and otherwise meets the requirements of Utah Administrative Code R315-311-3(2).

Copies of the application, draft permit, and all related documents will be available for public review during the comment period during normal business hours at the following locations:

Southwest Health Public Health Department
168 North 100 East
St. George, Utah

Division of Solid and Hazardous Waste
Utah Department of Environmental Quality
288 North 1460 West, 4th Floor
Salt Lake City, Utah

For the public's convenience, an unofficial copy of the application and the draft permit are available on the Internet at www.hazardouswaste.utah.gov

Comments will be accepted until 5:00 p.m. May 4, 2007 and should be mailed to the address below or delivered to the Division address above.

Dennis R. Downs, Executive Secretary
Utah Solid and Hazardous Waste Control Board
Department of Environmental Quality
